This information is required to obtain a HUD-insured single family mortgage. Public reporting burden for this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and you are not required to respond to, a collection of information unless that collection displays a valid OMB control number. HUD collects this information to determine the insurability of a mortgage on the captioned property and may use it to make a final determination as to whether a defect exists and whether the builder must remedy the defect.
