

## VA CHILD CARE SUBSIDY PROGRAM BENEFIT PAYMENT REQUEST FORM

PRIVACY ACT STATEMENT - Public Law 107-67, Section 630 (November 12, 2001) confers regulatory authority on the Department of Veterans Affairs for agency use of appropriated funds for child care costs for lower income Federal employees. Public Law 104-134 (April 26, 1996) requires that any person doing business with the Federal Government furnishes a Social Security Number or tax identification number. This is an amendment to title 31, Section 7701. The primary use of these Social Security Numbers (SSN) and tax identification numbers will be for identification purposes in assuring licensure and/or regulation compliance. This compliance is necessary for the purpose of determining Federal employee eligibility for child care subsidy. Disclosure of the above information is voluntary, but failure to provide all of the requested information may result in the denial of your request for payment of child care subsidy benefits.

**INSTRUCTIONS:** Employees approved to participate in the VA Child Care Subsidy Program (CCSP) must use this form to request monthly child care subsidy benefits payments. A separate form must be prepared for each month benefits are requested and should not be submitted until child care services for the month have been provided. Employees are responsible for ensuring the information provided on the Child Care Records Management System (CCRMS) on-line benefit payment request matches information on invoices before submission to the CCSP Service for payment.

Benefits payment requests must be submitted through the CCRMS not later than the second Friday of the month following the month for which a benefit payment is requested. For example, if payment is requested for June, the invoice must be received not later than the second Friday of July of the same year. Invoices that are not received within the required timeframe will not be paid. Exceptions to this timeframe will not be approved for any reason. Mailed, faxed or emailed submissions will not be accepted. The child care provider's invoice should include the name of the provider or company, invoice number, the provider's Federal tax identification number, a description of services, and total cost of monthly services.

**NOTE:** You are responsible for the payment of your total child care cost and must pay the full amount on all invoices issued to you by your child care provider. As a participant in the VA Child Care Subsidy Program, you are eligible to receive a subsidy to be applied towards your child care costs. Your monthly child care subsidy will be forwarded to your child care provider on your behalf. Any arrangement you make with your provider regarding the manner in which your child care subsidy benefits are credited to your account is between you and your child care provider.
